Lane Closures on U.S. 30 in Matteson, Olympia Fields

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions and closures will occur along U.S. 30 (Lincoln Highway) between Governors Highway and Indiana Street for pavement patching, weather permitting, beginning Saturday, July 25.

In order to complete the work, U.S. 30 will be reduced to a single lane in both directions during the daytime hours. In addition, there may be various, occasional, temporary lane closures during the evening and on weekends.

The project will be complete by Fall 2015.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
